

Order Form

The ISPC Lending Library™

**Check the box to order the Unit DVD (includes Instructor's Guide)
Indicate the quantity of Student Workbooks desired for each title:**

NO.	COURSE TITLE	DVD Order		WKBK QTY. \$18.95
1	Intro to Transmission and Distribution Systems			
2	Transmission			
3	Distribution			
4	Substations and Switchyards			
5	Basic Electricity			
6	A/C Fundamentals			
7	Climbing Wooden Poles			
8	Safety in T&D Maintenance			
9	Using Tools			
10	Rigging 1			
11	Rigging 2			
12	Electrical Safety			
13	Hydraulic Derricks			
14	Bucket Trucks 1&2			
15	Material Handling Bucket Trucks			
16	System Protection & Monitoring			
17	Introduction to Metering			
18	Bucket Truck Rescue			
19	Safety in Meter Work			
20	Safety in Substations & Switchyards			
21	Advanced Rigging			
22	Overhead Distribution Systems			
23	Service Installation			
24	Pole Framing and Guying			
25	Setting and Replacing Poles			
26	Safety in Overhead Line Maintenance			
27	Multimeter Operation			
28	Using Line Test Equipment			
29	Tree Trimming			

Questions or additional information: Please contact: Wanda Schenk @ 866-880-1380

NO.	COURSE TITLE	DVD Order		WKBK QTY. \$18.95
30	Safe Bucket Truck Operations			
31	Working on Distribution Poles			
32	Distribution Line Safety			
33	Care and Testing of Tools and Equipment			
34	Pole Top Equipment & Replacement (Cutouts & RC)			
35	Pole Top Equipment & Replacement (Transformers)			
36	Pole Top Equipment & Replacement (Voltage Regs)			
37	Pole Top Equipment & Replacement (Gang Switches)			
38	Pole Top Equipment & Replacement (Capacitors)			
39	Transformer Connections			
40	Power Quality			
41	Distribution Line Installation and Removal			
42	Distribution Line Replacement			
43	Distribution Line Repair (Gloves)			
44	Distribution Line Repair (Hotsticks)			
45	Transformer Troubleshooting			
46	Troubleshooting Overhead Lines			
47	34.5 KV Rubber Glove Work			
48	Overhead Troubleshooting 1			
49	Overhead Troubleshooting 2			
50	Underground Residential Distribution Systems			
51	Safety in Underground Line Maintenance			
52	Underground Cable Installation			
53	Pad-Mounted Transformers & Switch Gear			
54	Cable Splicing 1 (Solid Di-electric Insulation)			
55	Cable Splicing 2 (Paper-Lead Cable)			
56	Cable Terminations			
57	Locating Primary Faults (URD)			
58	Locating Secondary Faults (URD)			
59	URD Troubleshooting			
60	Transmission Structures			
61	Transmission Line Safety			
62	Climbing Steel Poles and Towers			
63	Transmission Line Installation			

Questions or additional information: Please contact: Wanda Schenk @ 866-880-1380

NO.	COURSE TITLE	DVD Order	WKBK QTY.	\$18.95
64	Rigging for High Voltage Work			
65	Working on De-energized Transmission Lines			
66	Transmission Line Repair (Hotsticks)			
67	Transmission Line Repair (Barehand Method)			
68	Power Transformers 1 (Substations)			
69	Power Transformers 2 (Substations)			
70	Circuit Breakers 1 (Substations)			
71	Circuit Breakers 2 (Substations)			
72	Voltage Regulators 1 (Substations)			
73	Voltage Regulators 2 (Substations)			
74	Capacitors and Reactors (Substations)			
75	Relays 1			
76	Relays 2			
77	Control Equipment			
78	High Voltage Terminations			

(Add totals for each column) **No. #**

(Multiply No. # x price) **Price ea.**
